FEBRUARY 2026

February! Spring is right around the corner, or wait, is it? We just received our first snowfall of the season. We sure needed the moisture no matter how little it was. All of the pastures, trees, bushes, cattle, flower beds and we humans needed that moisture. Thank you, Lord. February is also known as the lovers month. Valentine's Day, when we show those we love just how much we love them. My question is, why don't we show the people that we love just how special they are to us every day? Spouses, how much attention did we show to them when we first got married? We let them know how much we loved them with special first morning hugs, we cooked their favorite meals, and shared quiet time with them. We made sure they knew just how much we loved them. How special they were to us. Our children, our grandchildren, we give them all of our attention when they come around so they know how much they are loved and special they are to us. When they get to be adults do we still worry about them? Call them and just tell them we love them? Do we make them feel as special as when they were little and we know that they needed us? Why do relationships sometimes change? Our relationship with God changes over time, also. There are peaks and valleys in our relationship with our heavenly Father just like with our human counterparts. There are times in our relationship with God, just like the Psalms, when we praise, we lament, and we cry out for understanding. We don't always understand His will and we want to know why this or that happened. We probably won't get an answer but, like all relationships we have to trust that He has our best interest in mind. We trust in our spouse when they make a decision that will affect our lives that they made the right decision for us. So we too, need to trust in God for our safe keeping After all, He is our creator, is He not? He did not create us to suffer, and be alone. He created us out of love and He only wants the best for us and our families. So we pray, we read our Bible so that our relationship may grow with Him. God does not only love us in this month of February, He loves us year round. Lent is just around the corner. I hope you can join us February 18th at 6p.m. for Ash Wednesday services which will be held jointly with the Methodist Church. Following that will be Lent services on Wednesday at 6p.m. We will be doing the Holden Evening Prayer service throughout the season of Lent. God's Blessings to you all. *Pastor Sue Ellen*

COUNCIL HIGHLIGHTS

THURSDAY, JANUARY 16, 2025

Greetings from the church council!

Pastor Sue Ellen led us with an opening prayer for the new year. We enjoyed the reading from Isaiah 62:1-5 and reminding us "let's all get along, forgive and love one another". Let's share our differing view points without the bullhorn and screaming. Let's listen, learn, and talk with great care to our loved ones Let's not keep silent about the gracious will of God our Father. This past month has been monumental with a new president in office and this is a good time to remind us to pray- Lord, guide us as we turn down the noise of discord and increase the volume of peace. **Amen**

VBS is scheduled to be at Christ Lutheran May 26-29th combined with the Methodist church.

Property committee has been busy with cutting down tree north of the parsonage, fixing door latches and insulating the main door jams. New cameras for sanctuary and outside CLC church area will be installed along with Ring doorbell/camera at back door by ramp.

Annual meeting has been moved to February 8th at noon in the bell tower room at Christ Lutheran with a potluck meal.

February FOM will be given to Margaret Spires and family to help with expenses driving to Wichita after Margaret's surgery.

Announcements- The council will need nominations at the annual church meeting for 1 council position, 1 member added to the Audit committee and 2 for the Endowment committee. Council will need help with the Fat Tuesday pancake meal on February 17th from 5-8pm.
