NEWS & EVENTS

1 Greetings!

What a busy time it is here at Christ Lutheran and Upper Fall River!

This week we are having Vacation Bible School and there is an average of 25 children per day! How glorious is this? To have that many young children come to hear and to learn about our awesome God. We also have some wonderful helpers from both Churches! There are some young adult volunteers that help with the games and guide the children from area to area. Shawn Gamache is also lending his talent to lead the children in song. We are so blessed to have so many wonderful people help so this VBS will be successful! We thank all of them!

The theme is "How awesome is our God". Our God is an awesome God. He loves us no matter what our faults are. We taught the children today that we are not perfect; we make mistakes. Yet, through it all, He remains steadfast, and loyal to us. He loves us through all our mistakes and our

shortcomings. If we just ask for strength to overcome our faults and for the forgiveness of our sins, we know that through Jesus Christ, He will forgive us. God knows our hearts inside and out and yet He still loves us just as we are. We need to be reminded occasionally just like our children that the God we serve, our God is an awesome God.

God's blessings to you all. *Pastor Sue Ellen*
